EDUCATION

Annasaheb Dange College of Engineering and Technology (ADCET), Ashta

Bachelors of Technology, Computer Science and Engineering   *Aug 2020 – Jun 2024*
- CGPA : **8.17/10.0** , *till 7th semester*
- Relevant Coursework: Full Stack Development, Machine Learning.

Shri Ramrao VidyaMandir Highschool and Junior College (SRVM), Jath

Class 12th, Science(PCM)   *Aug 2019 – Aug 2020*
- Cumulative Percentage : **73.54**

B. Dr. Babasaheb Ambedkar Vidhyalaya Gulvanchi, Jath

Class 10th   *Aug 2017 – Aug 2018*
- Cumulative Percentage : **90.40**

PROJECTS

Design & Implement Digital Attendance System Using QR code
- Developing for Librarians
- Tools and Technology:- ML, Open CV, python, HTML, CSS, SQL.

Design & Developed GYM-Website
- Combining XAMPP and PHP for backend operations and HTML/CSS/JavaScript for frontend development, this gym website offers easy signup and restricted access for users, ensuring a secure and hassle-free fitness exploration experience.

Sonic Job Analysis
- The project aims to classify various mechanical jobs as either "fit for use" or "not fit." In this project, we test the product and determine the results. The process includes the analysis of sound when the job is hammered.

Other My Project

SKILLS

- **Programming Languages**: C/C++, Python, Core Java

- **Web Development**: HTML5, CSS3, Familiar with- JavaScript, React JS , React.

- **Database**: MySQL, MongoDB   **Other skills**: Data Structures, OOPS, C++ STL, ML.

REWARDS/ACHIEVEMENTS

Research Paper   *Feb 2023 – May 2023*
- Published Paper on a topic **A review on Currency Recognition** during the "International conference organized by Jansons institute of Technology, Coimbatore".

Python for Data Science NPTEL, IIT Madras   *Jan 2023 – Feb 2023*
- I have achieved Elite Certificate in **Python for data Science** Course offered by Indian Institute of Tech. Madras.

Cloud Computing NPTEL, IIT Kharagpur   *Jul 2022 – Aug 2022*
- I have achieved Silver Elite Certificate in **Cloud Computing** Course offered by Indian Institute of Tech. Kharagpur.

- Solved **400**+ problems across all coding platform.

INTERNSHIPS

Full Stack Development Internship: Offered by ECS private limited Karad.   *Dec 2023 – Present*

Web Development Intern: OPRA IT SOLUTION   *Aug 2022 – Sep 2022*

EXTRACURRICULAR/HOBBIES

- Worked as **Treasurer** in CESA Community in Computer Sci. Department, Problem Solving.
